VOL. X.

JASPER, MISSOURI, THURSDAY, APRIL 9, 1908.

NO. 32

Third Car Alfalfa Stock Food

We are in receipt of the third car of Alfalfa Stock Food. To say this food is O. K. does not do it justice. Listen to what some of our customers say: Uncle Isaac Herring says that one sack Alfalfa Stock Food is worth 4 of brand for horses. Col. Harry Hille says after feeding this stock food he finds two eggs for every hen he has. Hon. Ulysses Lowenstein says his cows milk made 2 lbs. more butter in one week after using this feed than on other feed. Space will not permit to give all our testimonials. Alfalfa Stock Food is composed of alfalfa, brand, shorts, corn chop and oil meal and sells like hot cakes. It cost us 5 cts. per hundred more for this car. Will retail for \$1.35 per sack straight. No cheaper in quantities.

Mr. Wise purchased a "Black Hawk" No. 3 Edge-drop Corn Planter this week and Henry Pugh bought a Gretchen making our list of sales 16 Black Hawks and 3 Gretchens. Let the good work go on. It shows the farmers in this vicinity appreciate good planters.

Our spring stock of Walk Over and Pingree Shoes are now in. Let Bro. Linn shoe your little feet with good shoes; they are cheaper in the long run. Our new Dress Goods, Poplins, Panamas, Serges are fit for a queen to wear. Look, see that "Henney" is on the step of your new buggy and be happy. Come and see

Your humble servants,

RESULTS ELSEWHERE

At Carthage the Democrats re-elected Mayor J. P. Leggett and made Roy Hockensmith city attorney. The remainder of the ticket went to the Republican nominees.

Kansas City went on record against Mayor Beardsley and the Star, electing the entire Democratic ticket.

At Joplin the Democrats elected 4 of 7 aldermen.

The Democrats swept Webb City with the exception of one alderman.

BUYERS HAVE AN INNING.

The Kansas City Market, Reported by the News' Correspondent.

Special to THE NEWS:

Kansas City Stock Yards, April 6, 1908. There was no diminution in the cattle supply last week, and as the demand for fresh meats fell off because of recent advances to retailers, buyers had an opportunity to swing a club over the market, which they were not slow to grasp, effecting a decline of 15 to 30 cents during the week. The downward

movement was not unexpected in view of the conditions, and should be no discouragement to holders of cattle on feed, as a recovery of the lost strength is confidently expected soon, although a broader outlet will be necessary before the market is likely to take on the keen edge manifested two weeks ago. The run is smaller today, 8000 head, which is 2000 below first estimates today, whereas, the supply last Monday ran 4000 above the first liberal estimate of 12,000. The market turned upward today, killing grades selling 5 to 15 cents higher, stockers any feeders strong. Good rains and green pastures have stimulated the latter trade today. Numerous sales of steers were made today at \$6.60 to \$6.80, prize steers quotable today at \$7.00, bulk of steers \$6.10 to \$6.35, best heifers today \$6.35, bulk \$4.75 to \$5.75, cows \$3.50 to \$5.00, bulls \$3.75 to \$4.75, calves \$3.75 to \$5.50. Shipments of stockers and feeders to the country last week aggregated 440 car loads, heaviest movement any week this season, and they are secured at reasonable figures, 20 to 25 cents below the average of the previous week, stockers at \$3.75 to \$5.50, feeders \$4.75 to \$5.75.

Hog receipts were 61,000 head last week, an increase of 8000 over previous week, the increase due to the advance in prices, although the market finally

closed only 15 to 20 cents above close of previous week. Run is 9000 head today market 5 higher, top \$6.05, bulk \$5.80 to \$6.00.

Buyers are more particular as to quality today than usual, and inferior Southern stuff is knifed ruthlessly. Salesmen predict higher prices, in view of the apparent short supply, while buyers argue for a lower range, anticipating difficulty in disposing of the high priced meat.

Sheep receipts are running short, although there is a fairly liberal run today, 8500 head. Lower prices prevailed in the east last week, especially on lambs, and these were reflected to an extent here, although sales Thursday and Friday were almost back to the high time. Market is lower today, lambs at \$7.40 to \$7.75, wethers worth up to \$6.75, ewes \$6.50, yearlings \$7.25. Spring lambs have sold at \$12.00 on different days recently, including today. Very little clipped stock received so far.

Probert-Hubbard Nuptials

A wedding of interest to a great many Jasper people occurred at Carthage last evening, when Arthur Probert of near this place and Miss Bernice Hubbard were joined in wedlock at the home of the bride's parents, Judge and Mrs. E. E. Hubbard. The groom is the son of Jos. Probert, one of our best known farmers citizens, and is himself a farmer. His bride was until a year ago a Jasper girl, having graduated from the schools here only last spring, and be remembered as one of our most charming young ladies. The ceremony last night was performed by Rev. L. H. Sweetland, who was superintendent of the schools here at the time of Miss Hubbard's graduation, and was attended by a few of their Jasper friends. The newly-weds will live on the groom's farm near Jasper.

JOPLIN GAME POSTPONED.

Y. M. C. A. Will Play Next Saturday, the 11th.

Jupiter Pluvius forced the postponing of the basket ball game scheduled for last Saturday night, and it will be played just a week later than the original date, next Saturday, April 11th. The local management is relying on this game to raise funds for the school annual, and thought best not to play the game on a rainy evening, therefore, the "Y's" were asked to postpone their trip and agreed to do so. Both teams will profit by the delay, for both were out of practice and may be depended on to improve all the time they can get.

Three games that were of much interest to Jasper, inasmuch as they affect our claim to the state championship, were played at Kansas City last week, when Central high, the team defeated by Jasper, won the championship of Kansas City over Manual high. Central will now meet with Central high of St. Louis, and if victorious will be acclaimed state champions for the third time. Of course Jasper can't get at the fellows higher up who ignore them in handing out championship honors, but if Central wins it will give us the palm, by the dopesheet, at least. And we hope to see Central win, not only for that reason, but because they showed while here that they are a bunch that deserve to win.

The Presbyterian church's annual reception in honor of its new members was held last Monday evening at the church, practically the whole membership attending in addition to a number of specially invited guests. Quite an enjoyable program of orchestra music and literary features was rendered, and light refreshments furnished the climax of a most pleasant evening.
